1. Introduction

The Institute KYC Registration process on the National Scholarship Portal (NSP) is designed to securely onboard educational institutions for participation in scholarship related activities. It ensures the verification and authenticity of key stakeholders, including institute details, the Institute Nodal Officer (INO), and the Head of Institute (HoI), through Aadhaar-based authentication and structured approval mechanisms.

The process comprises multiple stages such as submission of registration details, biometric authentication, document upload, and approvals at various levels. Successful completion of these steps enables institutes to gain authorized access to NSP services for efficient management and processing of scholarship applications.

2. Institute KYC Registration Workflow for Institutes

The Institute KYC registration workflow comprises a series of structured stages designed to ensure thorough verification and authentication of institutions, INO and HoI prior to their onboarding onto the NSP platform. The key stages involved are as follows:

a) Filling of Registration Form

The INO initiates the process by filling the online registration form, providing details of the institute as well as the INO and HoI.

b) Biometric Authentication

After completing the registration form, the INO and HoI of the institute are required to undergo biometric authentication to validate identity and establish authenticity.

c) Printing and Upload of Registration Form

Upon submission, the completed registration form is printed, duly signed, and officially stamped by the INO. The signed document is then uploaded onto the portal along with the requisite supporting documents.

d) Approval by Head of Institute (HoI)

The HOI of Institute reviews the submitted information and supporting documents, verifies their correctness and completeness, and accord approval to advance the application to the next stage.

e) Approval by Ministry/Department

The final stage entails review and approval by the concerned Ministry or Department, ensuring adherence to applicable guidelines and eligibility criteria prior to granting final authorization.

This structured verification ensures that only authenticated institutions are onboarded onto NSP, thereby maintaining transparency, accountability, and integrity in the scholarship disbursement process.

Detailed guidelines and procedural instructions for each stage of the Institute KYC registration process are provided in the subsequent sections.

3. Filling of Registration Form

Filling of Registration Form consists of the following steps:

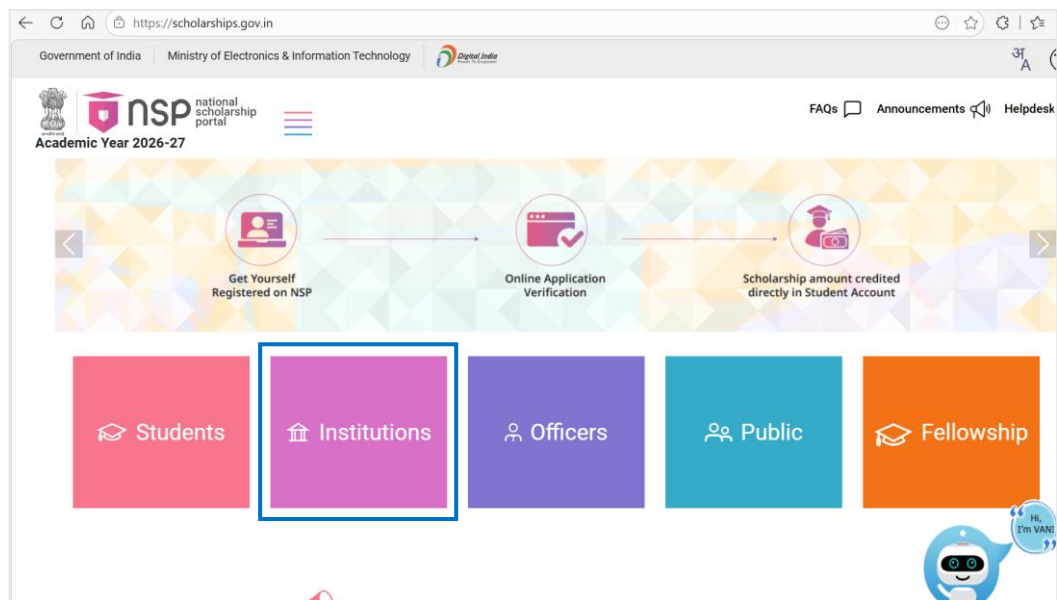

- a) Registration Initiation
- b) Institute Details
- c) Institute Nodal Officer (INO) details
- d) Head of Institute (HoI) details
- e) Registration Completion

Each of these steps is further subdivided into multiple sub-steps.

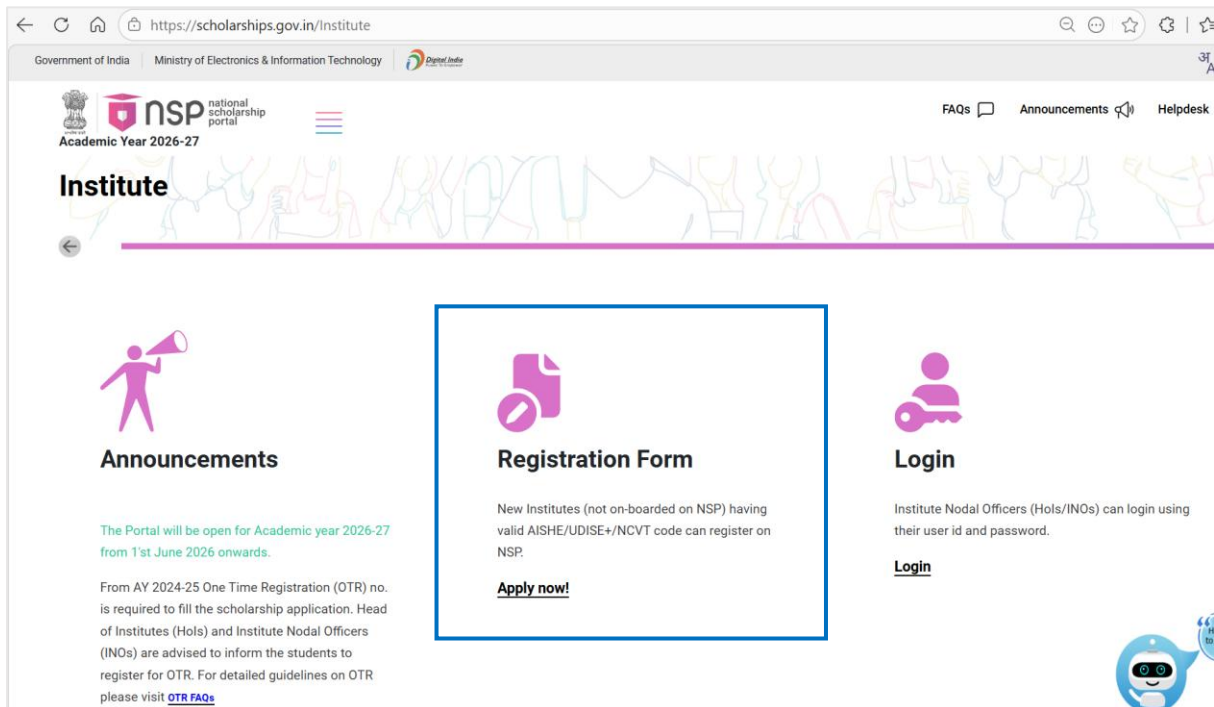

3.1 Registration Initiation

Follow the steps outlined below to initiate the registration process:

- a) Visit the NSP Portal using the link: <https://scholarships.gov.in/>
- b) Select the “Institutions” option, as illustrated below:

c) Click on the “Registration Form” option to proceed further

- d) The User will be redirected to the “Scholarship Institute KYC Registration” page, wherein detailed instructions regarding Institute Registration will be displayed. The User will be required to click on “Continue to Registration” to proceed further.

 Institute

Scholarship Institute KYC Registration

Instructions

On-Boarding of Institute on NSP for Processing Scholarship Applications

For on-boarding on the **National Scholarship Portal (NSP)**, the Institute must have a valid **UDISE+ Code (All India Survey of Higher Education)**.

The **Head of Institute (HoI)** is required to nominate an **Institute Nodal Officer (INO-Scholarship)** for processing Scholarship applications.

The nominated **INO-Scholarship** must complete registration on NSP and undergo Aadhaar-based biometric authentication.

Pre-Requisites for Registration

Before filling the Registration Form, ensure the following:

- Aadhaar Number of:
INO-Scholarship
Head of Institute (HoI)
- Aadhaar-linked mobile number of:
INO-Scholarship
Head of Institute (HoI)
- Valid Identity Proof of INO

Registration Process on NSP

Registration is to be completed on the NSP portal:
<https://scholarships.gov.in/links-for-institute-kyc>

Steps to be performed

A. By INO-Scholarship

- Step 1: Fill the Registration Form on NSP
- Step 2: Complete Aadhaar-based Biometric Authentication
 - Both INO-Scholarship and HoI must complete Aadhaar-based Face Authentication using:
NSP Face Auth App
Aadhaar Face RD App
(Available on Google Play Store)
- Step 3: Print, sign, stamp and upload the Registration Form on NSP

B. By Head of Institute (HoI)

- Step 4: Approve the Registration Form on NSP

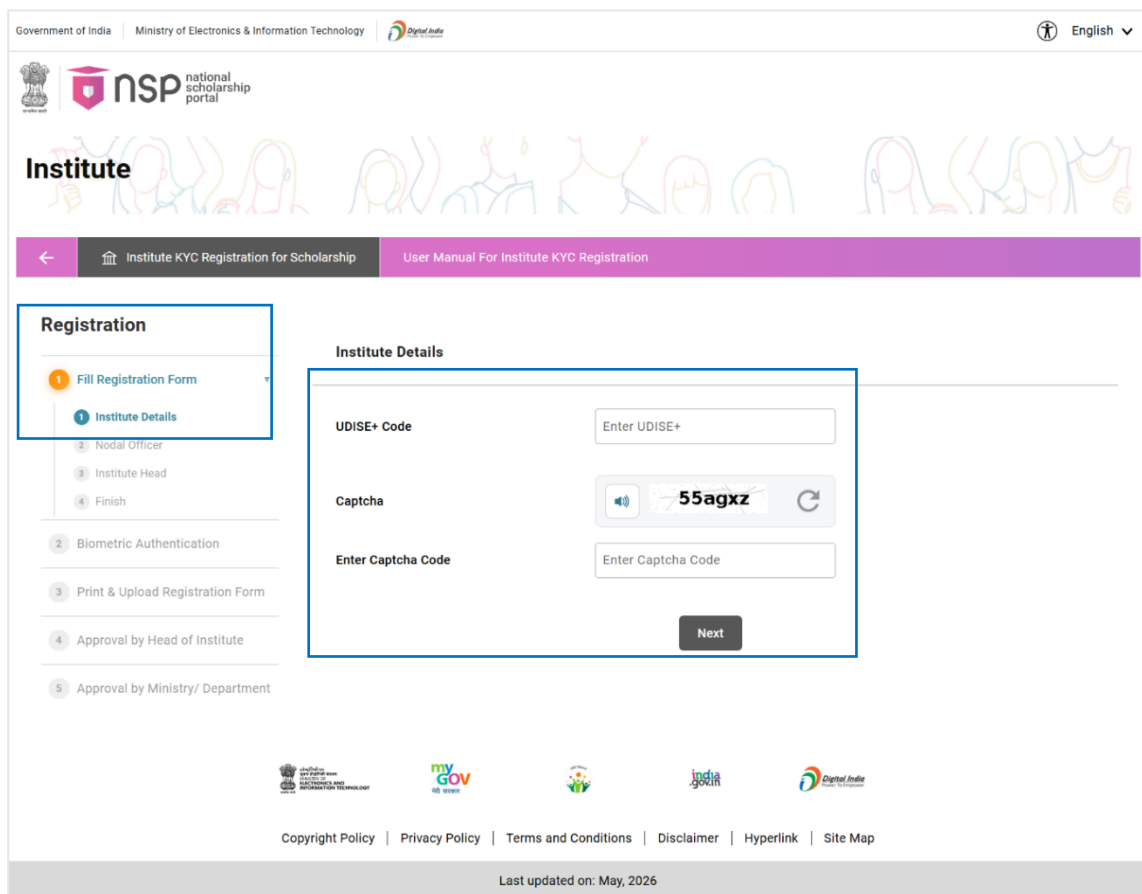

C. By Ministry / Department

- Step 5: Provide final approval for:
 - INO-Scholarship
 - Head of Institute (HoI)

Continue to Registration

3.2 Institute Details

- a) Upon clicking “Continue to Registration”, the user will be redirected to the “Registration” page.
- b) The user is required to enter the Institute details under the “Fill Registration Form” section.
- c) The following details must be entered by the user:
 - i. The institute’s UDISE+ Code.
 - ii. Enter the CAPTCHA code displayed on the screen.
 - iii. Click Next.

The screenshot displays the 'Institute KYC Registration for Scholarship' page on the NSP (National Scholarship Portal) website. The page header includes the Government of India, Ministry of Electronics & Information Technology, and the Digital India logo. The main content area is titled 'Institute' and features a navigation menu on the left with steps: 1. Fill Registration Form (highlighted), 2. Nodal Officer, 3. Institute Head, 4. Finish, 2. Biometric Authentication, 3. Print & Upload Registration Form, 4. Approval by Head of Institute, and 5. Approval by Ministry/ Department. The main form area is titled 'Institute Details' and contains three input fields: 'UDISE+ Code' with a placeholder 'Enter UDISE+', 'Captcha' with a visual captcha '55agxz' and a refresh button, and 'Enter Captcha Code' with a placeholder 'Enter Captcha Code'. A 'Next' button is located at the bottom right of the form. The footer includes logos for the Ministry of Education, myGov, India.gov.in, and Digital India, along with links for Copyright Policy, Privacy Policy, Terms and Conditions, Disclaimer, Hyperlink, and Site Map. The page is last updated on May, 2026.

- d) Upon successful verification of the UDISE+ Code, the system validates the institute details. If the verification is successful, a confirmation pop-up message will be displayed as shown below:

The screenshot displays the 'Institute KYC Registration Process' interface. At the top, there is a header with the 'Institute' logo and a navigation bar for the Government of India, Ministry of Electronics & Information Technology, and Digital India. Below this is the NSP (National Scholarship Portal) logo. The main content area is titled 'Institute Details' and shows a progress bar with five steps: 1. Fill Registration Form (selected), 2. Biometric Authentication, 3. Print & Upload Registration Form, 4. Approval by Head of Institute, and 5. Approval by Ministry/ Department. A confirmation pop-up message is displayed in the center, stating 'Verification successful!, No data found.' with a green checkmark icon and an 'OK' button. The background shows fields for UDISE+ Code, Captcha, and Enter C. A 'Next' button is visible at the bottom right of the form area. The footer contains links for Copyright Policy, Privacy Policy, Terms and Conditions, Disclaimer, Hyperlink, and Site Map, along with the text 'Last updated on: May, 2026'.

- e) After successful verification, the Institute Details page will be displayed. The following fields will be auto-populated based on the UDISE+ data:

- i. UDISE+ Code
- ii. Institute Name
- iii. State
- iv. District

The user must complete the remaining fields:

- i. Institute Address
- ii. State for Affiliated University
- iii. Affiliated University/Board
- iv. Institute Management Type/Nature
- v. Institute Website URL

After entering all required details, user must click **Next**.

The screenshot shows the 'Institute KYC Registration for Scholarship' page on the NSP (National Scholarship Portal) website. The page is part of the Government of India's Ministry of Electronics & Information Technology. It features a navigation bar with a back arrow, the page title, and a user manual link. The main content area is titled 'Registration' and includes a sidebar with a progress indicator showing five steps: 1. Fill Registration Form (selected), 2. Biometric Authentication, 3. Print & Upload Registration Form, 4. Approval by Head of Institute, and 5. Approval by Ministry/ Department. The 'Fill Registration Form' step is further broken down into four sub-steps: 1. Institute Details, 2. Nodal Officer, 3. Institute Head, and 4. Finish. The 'Institute Details' section contains a form with the following fields: UDISE+ (03110701902), Name (GPS BASTI BAGHE WALI), State (PUNJAB), District (FEROZEPUR), Institute Address (Ferozepur), State for Affiliated University (PUNJAB), Affiliated University (STATE COUNCIL OF EDUCATIONAL RESEARCH AND TRAINING), Institute Management Type (Government Institutes), and Institute Website URL (www.test.com). A 'Next' button is located at the bottom of the form. The footer includes logos for the Government of India, myGov, and Digital India, along with links to Copyright Policy, Privacy Policy, Terms and Conditions, Disclaimer, Hyperlink, and Site Map. The page was last updated on May, 2025.

3.3 Institute Nodal Officer (INO) Details

- a) Upon clicking **“Next”**, the user is redirected to the **“Nodal Officer”** page, where the details of the Institute Nodal Officer (INO) for Aadhaar authentication are displayed. The user is required to enter the following information:
 - i. Mobile Number (linked with Aadhaar)
 - ii. Aadhaar Number
 - iii. Name as in Aadhaar
 - iv. Date of Birth
 - v. Gender
 - vi. Designation
 - vii. Official Mail ID
 - viii. Alternate Contact Number
 - ix. INO Identity Proof Upload

The INO Identity Proof must be uploaded in PDF or JPEG format within the prescribed file size limit.

The screenshot displays the 'Institute KYC Registration for Scholarship' portal. The header includes the Government of India logo, Ministry of Electronics & Information Technology, and the Digital India logo. The main navigation bar shows 'Institute KYC Registration for Scholarship' and 'User Manual For Institute KYC Registration'. The left sidebar lists the registration steps: 1. Fill Registration Form (selected), 2. Biometric Authentication, 3. Print & Upload Registration Form, 4. Approval by Head of Institute, and 5. Approval by Ministry/ Department. The main content area is titled 'Enter Institute Nodal Officer's Details for Aadhaar Authentication'. It includes a 'Note' box stating that users must carefully enter Aadhaar-related information and upload a scanned copy of the identity proof. The form fields are: Mobile Number (linked with Aadhaar), Aadhaar Number, Name as in Aadhaar, Date of Birth, Gender, Designation, Official Mail ID, Alternate Contact No., and INO Identity Proof (only pdf & jpeg between 50kb to 500kb file size allowed). A 'Validate mobile number' button is next to the Mobile Number field. At the bottom, there is a consent checkbox and 'Previous' and 'Next' buttons.

3.5 Registration Completion

- a) Upon successful completion of the registration process, the system generates a unique KYC Registration Reference ID.

- b) The user is advised to note the reference number for future use.

The screenshot displays the 'Institute KYC Registration for Scholarship' page on the NSP portal. A modal window in the center shows a green checkmark and the text: 'Successfully Registered on NSP! Please note your Reference ID: PB20262745811'. Below the message is an 'OK' button. The background shows the registration steps: 1. Fill Registration Form, 2. Biometric Authentication, 3. Print & Upload Registration Form, 4. Approval by Head of Institute, and 5. Approval by Ministry/ Department. The 'Finish' step is highlighted. The page also shows the Government of India logo, Ministry of Electronics & Information Technology, and various partner logos like myGov and Digital India. The footer includes links for Copyright Policy, Privacy Policy, Terms and Conditions, Disclaimer, Hyperlink, and Site Map, along with the text 'Last updated on: May, 2026'.

- c) The registration process under Fill Registration Form is marked as completed.
- d) The page also displays instructions regarding printing, attestation, and submission of the KYC Registration Form.

This screenshot shows the 'Institute KYC Registration for Scholarship' page with the 'Fill Registration Form' step marked as completed. A blue box highlights the 'Fill Registration Form' step in the registration process list. A yellow callout box contains a note: 'Note: Please get the printout of KYC form attested by Head of the Institute after affixing your latest passport size photograph on it. Attested copy of KYC will be uploaded on the portal for approval by HoI and onward forwarding to Ministry Nodal Officer for approval. INO will submit original attested copy to the MNC and keep the photocopy of attested KYC in Institute for records.' The page also displays the 'Your Institute KYC Registration Form Number: PB20262745811' and a 'Back to Home' link. The footer includes the same navigation links and 'Last updated on: May, 2026' text as the previous screenshot.

4. Biometric Authentication

4.1 Aadhaar based face Authentication

- a) After completion of the registration form, the user must proceed to the Biometric Authentication section.
- b) If an existing KYC registration already exists for the UDISE+/AISHE code, the system displays the current KYC status and provides navigation options.

The screenshot shows the NSP (National Scholarship Portal) registration interface. A modal window titled "Existing KYC Found" is displayed, indicating that a KYC form already exists for the AISHE/UDISE+ code. The modal contains a table with the following data:

KYC Reference No	Status
PB20262745811	KYC Form Filled by INO, faceAuth of INO & Hol is pending. KYC Form can be printed after faceAuth of both Hol and INO.

Below the table, there are two buttons: "Continue to fill form" and "Go to Biometric Authentication". The background shows the registration process steps: 1. Fill Registration Form (Institute Details, Nodal Officer, Institute Head, Finish), 2. Biometric Authentication, 3. Print & Upload Registration Form, 4. Approval by Head of Institute, and 5. Approval by Ministry/ Department.

- c) When the user clicks on "Go to Biometric Authentication" option, the system displays instructions for completing Aadhaar-Based Face Authentication for both:
 - i. Institute Nodal Officer (INO)
 - ii. Head of Institute (Hol)

Biometric Authentication

Aadhaar-Based Face Authentication (BIO Auth)

Applicable for: INO & HoI

Important:

HoI can complete Face Authentication only after the designated INO has successfully completed Face Authentication. How to Complete Face Authentication.

1. Make sure your Aadhaar Face RD app is installed on your Android mobile phone.
2. Download and install the NSP Face Auth App from the Google Play Store.
3. Open the NSP Face Auth App.
4. Select "NEW INSTITUTE WITH FORM REF. NO.".
5. In the "I am" field, select your role: INO or HoI
6. Enter your Institute Registration Form / KYC Registration Number.
7. Verify the institute details shown on the screen and tap Proceed for Face Authentication.
8. Allow camera access when prompted.
9. Follow the on-screen instructions to complete Aadhaar-based Face Authentication using your mobile camera.
